PHILIPPE SHINTARO MONTANDON

SOFTWARE ENGINEER

After working for two years in Japan as a media consultant, I came back to Switzerland and shifted my focus towards software development. Currently pursuing a master's degree in Computer Science (expected graduation in February 2026), I am eager to leverage my practical experience and knowledge in a dynamic and challenging environment. My goal is to further refine my skills while bringing a creative perspective to upcoming projects.

EXPERIENCE

NCILAB SÀRL 🇨🇭
